Dear guest,

Please note that our excursion order form is interactive. Click on the name of the excursion to see the description and the conduction dates of the excursion. Please contact Ruby Travel to book, alternatively please indicate which excursions you would like to pre-book by ticking the appropriate box behind the excursion for each passenger (P1 / P2) and return the form to us. Hurtigruten AS terms and conditions apply. All information and prices are subject to change.

You are able to pre-book excursions up to four weeks prior to departure (2 weeks if paid by credit card) at the rates as presented. Depending on the space on the chosen excursion bookings may also be made on board. However, we recommend to pre-book excursions to be guaranteed space. All bookings on board will be charged in Norwegian Kroner and the ship's exchange rate will be used. The price in the local currency may therefore be different due to fluctuations in the exchange rate. For further information about our excursions visit our website: rubytravel.eu
